

AmeriCorps member hoping to ‘make a difference’

Cassandra Argo an AmeriCorps member working in conjunction with The Ohio Association of Second Harvest Foodbanks and Perry County Job and Family Services is organizing a food drive to coincide with Hunger Awareness month (October) and Make a Difference Day (Oct 23). We will be collecting food Oct 4-18, and your help is needed.

Area organizations that would like to be a drop off point for the community or would like to create an internal competition among employees please contact Argo at 740-342-3551 ext 684 or argoc@odjfs.state.oh.us via

Volunteers are also needed on Saturday, Oct 23 from 9 a.m. to 1 p.m. to help organize, box, and deliver the groceries that are collected.

“The great thing about this food drive is that the food will stay in your immediate community,” said Argo. “For example, if your business is in Crooksville, the food you collect will be donated to the Crooksville Community Center.”
