# Child Support

## *Support is Key!*

To review request due to unemployment or laid off due to mass layoff:

- Contact our agency to obtain a Request for an Administrative Review
- A review will not lower the arrears already owed on a child support case
- Note that results of an Administrative Review is an attempt to lower the amount of the current support owed, but is not guaranteed.
- Once a request is approved, information packets will be sent out to both parties and they will have 30 days to return all needed information to the agency for the Administrative Review.
- Recommendations will be sent to both parties, with an objection time frame of 10 days. If no objections, the order will be sent to the courts. If there is an objection, both parties will be contacted for an Administrative Hearing.

# Architectural & Mechanical Design

## PROGRAM DESCRIPTION

**Architectural & Mechanical Design Degree Program**  
Advanced Manufacturing is growing at a rapid pace. According to Deloitte, in the next decade an anticipated 3.5 million manufacturing jobs will likely be needed. Furthermore, it is estimated that 2 million of these jobs will go unfilled due to the "skills gap." In order to prepare students for the advanced, high-tech manufacturing careers that await them, Hocking College's Advanced Manufacturing Program has the solution!

Students will engage in the fundamentals of manufacturing and design and be exposed to the exact equipment utilized in industry today. The program will be centered around robotics and automation and emulate real-world advanced manufacturing processes.

In addition to earning an Associate of Applied Science degree, students have the opportunity to earn stackable industry credentials in the areas of: Industrial Robotics (FANUC), Programmable Logic Controllers/PLCs (Allen-Bradley) and Fluid Power (Parker Hannifin).

Hocking College has established partnerships with industry employers. These partnerships will help the program stay ahead of industry trends, and give students a possible career path upon graduation.

## ALL-INCLUSIVE PRICING

Hocking College offers all-inclusive pricing and works with students to assure they have complete college funding, including financial aid, before they start classes. All-inclusive pricing includes the following:

### PER SEMESTER

\$300.....Learning Fee

\$20.....Health Center Services

\$75.....Career Center Services

### OPTIONAL

\$53.....Parking

\$275....Smart Start\*

\*Recommended for all first-year college students

Pricing for housing and meal plans can be found at [hocking.edu/residence-halls](http://hocking.edu/residence-halls).
