

# PERRY COUNTY TRANSIT

## Public Meeting Notice

Perry County Transit is hosting a public meeting at the Perry County Opportunity Center April 26, 2024, at 5:00 PM. 5250 OH-37, New Lexington, OH 43764.

This meeting is open to the public to discuss the new proposed fare structure that will be simplified and allow ease in understanding public fares. This will **NOT** increase current fares. It will in turn create a more equitable fare for those who use transit in Perry County based on the distance traveled.

Following this meeting, there will be a 30-day comment period for the public to voice any concerns they may have with the fare change. During the meeting you will be provided instructions on how to submit a comment. **The fare change will be effective on May 27, 2024.**

If you have any questions about the meeting please contact Brooke Cannon, Public Information Specialist, 740-684-4001.
