

PERRY COUNTY TRANSIT

1	Can we schedule a walk through?	Yes, a walkthrough can be scheduled to tour the area. Please send me an email Mason.Dickerson@jfs.ohio.gov to schedule.
2	Are there renovations to the existing structure? Or is that in reference to the connection of the two buildings?	This is in reference to the connection of the new building to the existing building.
2.1	If so, what is the extent?	After plans and discussion during the initial phase of the project the renovation of the old building may be needed to fit the new building plans.
3	Does the new structure need to be a block structure, or can it be framed one?	The new structure does not have to be a block structure, it is up to the proposer to propose what they feel is best solution and agreed upon by PCT.
4	It may take longer than 4 weeks to have drawings is there any flexibility in that time frame?	There may be flexibility on the timeline and can be discussed after award. The end date is based on Grants and will need to be maintained.
5	What if any drawings are you expecting to see with our proposal?	Drawings are not required with the proposal to the RFP; However, drawings that are supplied will be taken into consideration while evaluating the RFP.
